- permission of department team
- vet intern module complete

Position description

Conduct daily animal health checks
Stock supplies
Prepare surgical areas
Prepare animals for surgery
Observe surgeries
Conduct surgical follow ups
Assist fosters

Other attributes required

- access to the internet and email
- at least 16 years of age

Other position details
As a Veterinary Volunteer, you'll gain hands-on experience supporting the health and well-being of shelter animals by assisting veterinary staff during surgery days (Tues-Thurs) with tasks like prepping animals and monitoring recovery and performing non-surgical duties (Mon & Fri) such as cleaning, administering medicated baths, and general animal care. You'll also help with inventory and maintaining a clean workspace while providing gentle, stress-reducing handling. This role offers valuable exposure to veterinary procedures, teamwork with licensed professionals, and insight into shelter operations. Scheduling depends on availability, with surgical support midweek and non-surgical tasks at the start and end of the week. Passionate, dependable volunteers eager to learn are encouraged to apply.

Separate application required
