**Do you own your own trap or traps?**

yes, I have one trap

**Are you willing to transport the trapped cats for spay/neuter?**

yes

**Are you the colony feeder?**

no

**Additional comments**

I started giving food to 1 male that looked like it was starving to death that had been born in my yard 6 months ago. Then about a week ago, a female showed up and has now giving birth and kittens are in a place where my husband works. We need to move them. I don't know what to do. The male cat I started to feed looks like it has several problems with eyes and skin
