Just a few more questions...

How long have you had the animals?

2 - 3 months

Reason(s) for concern - click all that apply.

- no time for care

Other reason not listed

Dogs were never mine I was helping someone who asked me to take care of them while they visited family out of state and they never returned nor communicated with me in anyway.

How we can help you keep your animals?

At the moment I am not physically capable nor am I able to care for the dogs on a daily basis as they should be cared for I do not want them to be in a cage all the time they are great dogs that deserve to be loose and having fun with other dogs. I just can't give that to them and would love to see them both go to a beautiful home.

Admin notes

1/17/23- Called the owner and she stated that she was only pet sitting and the owners never showed up and they disconnected the phone numbers. I told the owner when the next appointment is, and she said that is too far out and I gave her a list of rescues and she is going to take the rescue route.
