Just a few more questions...

How long have you had the animals?

4 months to 1 year

Reason(s) for concern - click all that apply.

- cost of food
- cost of vet care
- moving
- no time for care

If moving, why can't pet(s) go?

Won't be a safe/big enough area to keep her safe and well exercised and comfortable

How we can help you keep your animals?

If there's any possible way to keep our pet at your shelter, we don't have great conditions and can't find the time to care for her, most are at work or at school and now never at home. We've tried training but there's never enough time to stick with something and help her learn.
