#### **Outcome data**

#### **Admin notes**

2/1/23 Called the owner and due to a disability, she can no longer handle the animal. He keeps escaping. I gave her multiple rescues to try and still try to rehome before the appointment. She said the dog is very playful and healthy but has a mild skin allergy. The dog lives with 2 other small dogs. I made her an early appointment per md. I told her our policies and I can't guarantee the outcome. AM
