Reason for surrender

I had my dog for 5 to 6 years she got neutered around 4 to 5 years of age and out of no where she’s deciding to break out everyday and run around the neighborhood, now she’s really sweet and trained but I can’t keep getting inn trouble for her breaking out and I have no funds to fix the fence. I am a low income mom. I live with my mom but she’s getting tired of all the broken fences and this is my last option.

My current living situation is...

I would rather not say.

Just a few more questions...

How long have you had the animals?

3 - 5 years

Reason(s) for concern - click all that apply.

- behavior
- has too many pets
- moving

Other reason not listed

Behavior=escaping

If moving, why can't pet(s) go?

To many pets that will be also rehome/already have home set for them

How we can help you keep your animals?

New fence would be nice just kidding I know you guys aren't here for that. I truly love Roxy she has helped me tru so much of my mental health that it kills me to get rid of her but I can't keep getting in trouble for her actions I have cover all the holes she goes tru but she always manage to escape. And as a single mom of two I cannot afford a new fence so my only option is to rehome or surrender where someone would give her a fenced yard that she wouldn't escape in. She is well behave friendly with my kids and we'll trained.
