Admin notes

2/9/23 Called phone went straight to voicemail. Left message for owner. C.Wildermuth

2/9/23 Owner called back stating dog does not have any behavior issues. Owners sleep during the day and work at night where the dog is in the kennel most of the time. They do not have the time to give the dog that he needs for proper exercise. He gets along well with dogs they have 3 children in the home he gets along with. Owner was informed of our policies. The owner stated she would not like her dog to be euthanized. I reffered her to call rescue

groups as well post the pet on social media. She stated she did not know there were rescue groups that she could call as well. Owner advised she would call back if all else failed. C. Wildermuth
