Just a few more questions...

How long have you had the animals?

5 + years

Reason(s) for concern - click all that apply.

- moving

Other reason not listed

Marital separation and we can no longer have pets

If moving, why can't pet(s) go?

we have very limited places to go while separating and cant take our babies

How we can help you keep your animals?

Unfortunately, unless you can put back together our marriage and now find us a new place to live and afford it that takes large dogs we have no options. We have reached out to everyone we know. These two fur babies are our life!!!! We feel horrible!!!! They are sisters from the same litter and have been together their whole lives.
