Admin notes

2/9/23 Called and spoke with owner who stated he is moving and cannot take his cats with him. He asked if we could adopt the cats out together in which he was informed that does not always happen sometimes. Owner was made aware of our policies in which he became upset and request to know where he could find the information. He was informed where to go on our website to better help him and was scheduled an appointment. C. Wildermuth
