4 months to 1 year

Reason(s) for concern - click all that apply.

- allergies

How we can help you keep your animals?

My kids have been sick well have been with allergies since 4 to 6 months ago we were pointing to the kids at school but the doctor confirm the kids suffered from animal hair allergies. After Casper not even a rabbit we can get.

We got Casper from Osceola Shelter like 6 months ago.

Outcome data

Admin notes

2/10/23- Called the owner and he stated his children have severe allergies to animals with fur and are getting sick all the time. Jose took the kids to the dr and did test stating it was animals making them sick. Per md they are coming in a week from now. I did make Jose aware of our policies and cannot guarantee the outcome. AM
