Admin notes

2/13/23- Called and left VM. AM
2/13/23- The owner called back and stated she recently split with her significant other and can no longer take care of both of them by herself. The owner stated they are currently healthy with no medical issues. I asked if she has tried rehoming or tried rescues and she stated yes and is still going to look for other options before her appointment. I made her aware of our policies and cannot guarantee the outcome of the dogs. AM
