Admin notes

2/28/23Called the owner and he stated that he has too many cats and he stated that he was able to rehome some but not all of them. I told him that he needs to try rescues to see if they could have a better outcome. The owner stated that the cats are she and don't like to be handled often. I mad e the owner aware that there is a chance of 300 and owner said he understood. I made the appointment and made him aware of our policies. AM
