Admin notes

3/02/23 - called and spook to the owner and she stated that her son is very allergic, and he keeps getting sick. she went to pet smart, and they gave her a list of recues and she contacted all of them and they all said that they cannot take the cat because they were too full, she has been asking around to rehome the cat and she said she will continue to ask up until the appointment I did tell her about our policies, and we cannot guarantee the outcome.
