Admin notes

3/3/23- Called the owner and she stated she cannot have the cats because they have fleas and cannot be around the dogs. I asked if we were to help with flea preventive if the owner would keep them and she stated no. I asked if she has tried rehoming and she said yes but no one will take them. I asked about rescues, and she said she would try to get in contact before the appointment. I made the owner aware of our policies and I cannot guarantee anything. AM
