How we can help you keep your animals?

Ghost is such a big baby and a gentle giant. He has never been aggressive and he follows basic commands like sit, lay, paw and stay. Ghost has been my partner for 4 1/2 years I rescued him from the shelter and he has been a big brother to my 4 year old son. I am sad to say I have to give him up due to my recent eviction. I hope he finds a forever home :(.

If I am unable to make the appointment can my father drop him off?

3/17/23 CALLED LEFT VM. C. WILDERMUTH  
3/22/23 called and spoke to the owner and she said she has been trying to rehome him but is unsuccessful she made an appointment with us and asked me to send her an email with all the requirements that she needs to bring with her to the appointment. I did make her aware of our policies and that we cannot guarantee an outcome for her dog DM
