**Admin notes**

3/28/23 called and left VM DM

3/30/23- Called the owner and she stated the cats were her elderly parents but they were unable to care for them so jean took them in and can no longer afford to care for them. We did set up an appointment but after I did explain that we could not grantee the outcome of the cats and she wanted to cancel her appointment. I did offer her some cat food to help, and she said she would be in today to pick it up. AM
