Just a few more questions...

How long have you had the animals?

3 - 5 years

Reason(s) for concern - click all that apply.

- allergies
- moving
- pending eviction

If moving, why can't pet(s) go?

New place has no pet policy

How we can help you keep your animals?

I do not wish to let them go. I love these precious cats however most likely we are moving and we can not take them with where we’re going. This is the best place for them and maybe one day I can see them again. They are sisters from the same liter and were raised together so maybe them being adopted together or keeping them close to each other will be good for their anxiety. There is not much to do to help keep them.

Admin notes

4/20/23 i called and left a VM DM

5/5/23- Called the owner and she stated that she is moving and cannot keep them. I asked if she has tried rehoming and she said no. I told her she needs to try to rehome the cat and she needs to have proof that she tried, or we will not take the cat. I made her aware of our policies and cannot guarantee the outcome of both animals. AM
