Admin notes

4/21/23 called and spoke to the owner and she said she cannot care for the animal due to the fact that she does not have a fence and the dog is to strong for her to walk on a leash I did inform her of our policies and that we cannot guaranty an outcome for her dog. I also told her to contact some rescue groups along with social media posts. she said she will continue to look for a home for her dog up until her appointment. DM
