Admin notes

5/5/23- Called and left VM AM

5/10/23- Called and the owner said that they think that the dog is causing the baby allergies but not for sure. The said the dog gets along with other dog and kids, The dog has never bitten or scratched anyone. I told the owner the resources she needs to go to try and rehome the dog, and when she comes to the appointment, she must show the proof that she tried rehoming. I mad the appointment and went over our policies and I cannot guarantee the outcome of the animal. AM
