moving

Other reason not listed

to strong for me to handle

If moving, why can't pet(s) go?

no pets over 30 lbs

How we can help you keep your animals?

Unfortunately, I can't handle him as I'm 77 years old and he is just too strong for me. He pulls or knocks me down several times in a week. I'm afraid one of these days I'm going to really get hurt. I love him and have even tried dog training but he is to strong for me.

5/10/23- Called and Francis stated that he is moving soon and cannot take the dog with him. He stated that the dog is good with female dogs and has never bitten or scratched anyone. I explained that he needs to try the resources that I gave him to rehome the pet and needs to show proof when he comes to the appointment. I explained our policies and cannot guarantee the outcome of the animal.AM
