Admin notes

5/9/23-Called the owner and she stated that she can no longer have the dog due to the landlord breed restrictions. I asked if she has tried rehoming and she stayed yes. I gave her more recourses to try as well before her appointment. The owner said that if she was not able to get rid of the dog she was just going to put it down. I told her no good vets office would put down a bright alert friendly active dog. I made her an appointment and made her aware of our policies and cannot guarantee the outcome. AM
