5/10/23- Called and left VM. AM
5/18/23 called and spoke to the owner her house caught on fire and she had to move in with her mom, her mom is allergic and has asthma so the cats could not stay inside the home one of them was hit by a car and passed away so she only has one of them left she has tried to rehome them by posting on social media and she has contacted rescues in the area and none of them has responded to her yet. I did make her aware of our policies and that we cannot guarantee an outcome for her cat.DM
