Admin notes

5/18/23 called and the phone number provided is a fax machine number I sent a email asking for a good working number DM  
5/18/23 owner called back and stated that he is sick and is not getting better and the doctor wants to put him in a long-term care facility. he has tried to rehome the dog and has had no luck. he is going to have a family member post the dog on social media and he also is going to reach out to rescues. I did make him aware of our policies and that we cannot guarantee an outcome for his dog. DM
