Admin notes

5/25/23 Called and spoke with owner, she was able to rehome her male cat but not the female. owner was made aware she needs to create a Facebook post, Instagram, adopt a pet/rehome, create a community online bulletin for the cat as well email rescue groups and provide proof of all information before she surrenders her cat. She was asked to please call back if she finds a home for the cat before her drop off date. Owner was made aware we are extremely full and can not promise the outcome of any animal that comes to the shelter and was made aware of our policies and procedures. c. wildermuth
