Just a few more questions...

How long have you had the animals?

2 - 3 months

Reason(s) for concern - click all that apply.

- cost of food
- cost of vet care
- has too many pets

How we can help you keep your animals?

I have a cat that had kittens. I found the cat while walking my dog and somebody had tied her up in a plastic shopping bag and thrown her in the dumpster near the sidewalk behind Dunkin’ Donuts. My dog freaked out and took me over there. Lo and behold I took her home and she was pregnant. I can keep 2 kittens - I really only want to keep 1-but 5 is too much. The mother is getting spayed June 23. I have asked around and had people ask around but nobody wants kittens unless I want to pay to ship them or have them all spayed and/or neutered. I work 2 jobs as it is to make ends meet.
