Admin notes

6/2/23 called and spoke to the owner and she said she got the dog for her daughter that is not an adult yet and she is not taking proper care of the dog due to her going to school and working. she said that she has been looking for the dog a home and has posted it on social media but has not contacted rescue yet, but she said she is going to do that. i made her aware of our policies and that we cannot guarantee an outcome DM
