How we can help you keep your animals?

Luna is a very friendly, protector and lovely dog. She like walks, run and be rub on the belly. She thinks she is a baby still so she plays like a baby. Unfortunately I am moving to New York and in the house I will live my business is a home Day care which means I work with kids. Because of this I am not allowed to have dogs in the house.

I have tried everything to keep her also I been looking for homes but it been really hard to find one.  
I have my heart broken but I think this is the best option I have.

6/3/23 left VM DM  
6/5/23 Owner called back and said she is moving to NY, and she cannot bring the dog with her. she has trayed to post the dog on social media but has had no luck i told her to contact some recue groups and continue looking for a new home while she awaits her appointment time. she said all of this was too much for her to deal with and that she just wants to make an appointment and that's it. I did make her aware of our policies and that we cannot guarantee an outcome for her dog DM
