Just a few more questions...

How long have you had the animals?

4 months to 1 year

Reason(s) for concern - click all that apply.

- has too many pets

How we can help you keep your animals?

I recently found out that Osceola county has ordinance that having more than 3 adult dogs is not ok. I could keep them but I don't want to be in violation of the law. Also, it would be better if they were neutered but I am able to feed and house them easily even tho barking is also a concern, mainly for my neighbors sake. I care for them and they are treated like family. I just don't want to get into trouble for them.
