Admin notes

6/14/23- Called the owner and I stated that she needs to try and rehome the pet through social media, rescues and adoptapet.com. The owner said the dogs are good with other animals and kids and have never bitten before. The dogs are currently healthy, but the owner is moving and cannot take them with her. I made her aware that we cannot guarantee the outcome of the animals and possible chance of 300 and the owner understood. Also, owner was made aware of our policies and procedures. AM
