I started this process before and cancelled thought I found her a home off the Turnberry neighborhood news but they were a no show and that has happen a few times. Meet some of the rescue groups and they never come thru, they told me send them a email and they will take her but they Never respond to emails or calls. I am at wits end to find her a home, I need your help. She is DELAWED and FIXED too. Not up to date on shots. Inside house cat. She is Beautiful and Litter box trained too.
