Admin notes

7/05/23 called and spoke with the owner he said that he can not take care of the dog properly since his wife passed away. his daughter then got on the phone and said that he can not afford the dog anymore and she needs to rehome him she has not reached out to rescue groups and has not posted on social media yet but said she will do that i also told her to reach out to rescue groups as well . she is aware of our policies and knows that we can not guarantee an outcome for his dog DM
