- behavior
- moving

Other reason not listed

He has numerous behavioral issues, but the biggest problem is marking...

If moving, why can't pet(s) go?

I am planning to relocate to an apartment and I can't have him marking all over someone else's property.

How we can help you keep your animals?

We have tried a lot for a couple of years now, including an attempt to rehome him via nokillnetwork.org. His listing is still active and can be found at the link below. He was abandoned by his mother at only a few days old. He was rescued in very ill condition by a friend, and my wife and I hand-raised him from then and he has been with us ever since. He is sometimes extremely temperamental around unfamiliar people, and has a marking problem. (The marking issue has been going on for several years now...) We have tried pheromones, (collars and diffusers) a prescription diet and most recently we separated him from the other feline resident of our home in an attempt to lower his stress and hopefully curb what might be territorial behavior. (The other cat is staying temporarily with a family member...) This has all proven unsuccessful, and now my wife and I have listed our home for sale and expect to move imminently. As much as it pains us, this situation is no longer tenable. Your assistance is much appreciated.

Admin notes

7/12/23 CALLED AND SPOKE TO THE OWNER AND HE SAID THAT THE CAT IS SPRAYING HIS HOUSE AND HE HAS NOT PUSHED TO FIND THE CAT A NEW HOME BECAUSE THEY ARE PUTTING THE CAT IN TRAINING CLASSES BUT IF THINGS DO NOT IMPROVE, THEY ARE GOING TO SURRENDER THE CAT. I DID SCHEDULED AN APPOINTMENT FOR HIM BUT HE MAY CANCEL IF THE CAT IS DOING BETTER. HE IS AWARE OF OUR POLICIES AND KNOWS WE CANNOT GUARANTEE AN OUTCOME FOR HIS CAT dm
