How we can help you keep your animals?

By rehoming them and giving them the life they deserve. These dogs were in the care of a person who doesnt even by them dog food. All she does is is leave and Ive been taking care of them since. I dont even remember the last time they had a bath. I try but I can fully help them.

Admin notes

7/13/23 I called and spoke to the owner and she said she lived with her mom, and she left the dog behind, and she cannot take care of them, and they are kept in kennels and one of them tried to bite her son she has posted them on social media but has not contacted rescue groups yet but is willing to do that. she is aware of our policies and knows we cannot guarantee an outcome for her dogs DM
