Outcome data

Admin notes

7/13/23 called and spoke to the owner and she said her, and her husband are truck drivers, so they basically travel all the time, and the dog is with them on the truck. the dog does not like to be left alone and tries to tear up stuff in the truck when alone and she is worried that she is going to get fired for her dog's behavior.

she is going to post the dog on social media, and she is going to reach out to rescue groups. she is aware of our policies and knows we cannot guarantee an outcome for her dog DM
