7/14/23 called and left VM DM
7/19/23 called and spoke to the owner and she said she is sick and can no longer take care of the cats. she said she does not have social media to be able to post them and she is not good with a computer so she does not know how to contact rescue groups, she also stated that the cats are peeing all over her house, she is aware of our policies and knows we cannot guarantee an outcome for her cats DM
