Admin notes

8/14/23 called and spoke to the owner and she said that the mom was a stray that she was trying to take in but later found out she was pregnant. she provided a safe place for the cat to give birth and now they are old enough to leave the mom. she has been trying to rehome them but has had little luck in doing so. she has rehomed 2 of them already and still needs to find homes for 3 of them. she has posted them on social media and plans on reaching out to rescue groups. she is aware of our policies and knows we cannot guarantee an outcome for the kittens DM.
