Just a few more questions...

How long have you had the animals?

1 - 2 years

Reason(s) for concern - click all that apply.

- moving
- homeless

Other reason not listed

Not good with small animals

If moving, why can't pet(s) go?

Going into military, do not know where I will be stationed if in US or not, do not have a home of my own

How we can help you keep your animals?

She's great with little kids, good with cats, do not know about dogs. She knows basic commands and she walks good on leash. I cannot care for her and she deserves someone who can love her or who would like a protection dog or a good watch dog for small children. I have been reaching out to rescues for several months and can offer proof. Best way to help me keep her is to give her a foster home for the length of time I will be at basic training (8 weeks) and tech school (undetermined but can range from 2 months- 6 months or more). Once I have secured housing, I will be able to care for her again.
