How we can help you keep your animals?

There is nothing that can be done. We have tried EVERYTHING to keep her. We do NOT want to get rid of her. We love her so much and my children love her so much, I have never loved a dog as much as I love her. To us, she is the perfect dog, she is potty trained, she doesnt chew up the house or destroy anything, she is so so loving, and her best friend is a cat. Despite our wishes to not surrender her, we have no other choice. We have fought tooth and nail and there is nothing we can do. Please help us, I have tried everyone and everything. This is an emergent issue. Thanks.
