Just a few more questions...

How long have you had the animals?

1 - 2 years

Reason(s) for concern - click all that apply.

- allergies
- behavior
- cost of vet care
- no time for care

How we can help you keep your animals?

I can not keep her. I lost my job recently and I have 2 children I cannot support her medical conditions to keep up with her skin care, products, and vet expenses. She is territorial over her cage and food but has NEVER bitten. I have spent time to potty train her, cage train and e-collar train her. I'm in school and attending to 2 children can no longer mentally keep up with the weekly baths and skincare routine. She is a sweet dog but needs a lot of love and attention. Please send her to a loving family that can afford to take care of her and willing to do the work.
