Reason for surrender

I'm moving and I can't take my cat with me. No one I know is able to rehome them, and I already created a post on rehome adopt-a-pet. I am hoping he can find a good home.

My current living situation is...

I would rather not say.

I have read and understood the pet rehome statement.

yes

Just a few more questions...

How long have you had the animals?

1 - 2 years

Reason(s) for concern - click all that apply.

- cost of food
- cost of vet care
- has too many pets
- moving

If moving, why can't pet(s) go?

Where I am going they are not allowing any more animals than are already in the household. I don't have the option to move anywhere else right now. They just need a home of love.

How we can help you keep your animals?

There is no way unless you can pay rent+pet rent at an apartment for me...
