Admin notes

9/8/23 Spoke with Operations Manager to get ok for Josefina to bring in earlier than expected due to situation. Dog will likely need to be euthanized the care taker doesn't want mother in law to know because she is not really mentally stable. She has power of attorney and will be bringing it with her for the surrender. She will surrender the 12 year old blind unfriendly yorkie. If we eval it and it can go to rescue fine if not she understands it is very likely the dog will be euthanized due to age and behavior related problems. The mother in law is homeless and noone can keep the dog. They are secretly keeping the dog in their apartments now. Please process as an owner surrender.
