Just a few more questions...

How long have you had the animals?

5 + years

Reason(s) for concern - click all that apply.

- allergies
- has too many pets
- no time for care

Other reason not listed

New home does not accept animals

How we can help you keep your animals?

I feel that I've gotten to a point where I can't keep caring for my pets because I am also caring for my kids. They are being neglected. On top of that, I am getting ready to move in with my mother. She does not allow the pets to stay at her house. My kids are allergic to the cats so I don't feel like I should try to keep them. If someone could care for Molly temporarily, I would be able to care for her eventually.
