How long have you had the animals?

5 + years

Reason(s) for concern - click all that apply.

- behavior
- no time for care

Other reason not listed

Parents are too old to care for him

How we can help you keep your animals?

My parents work all day and have no time to properly take care of Tom. He is also poorly trained so he drags really hard on walks which is difficult for my elderly parents to handle. He needs owners that have time to give him the attention and exercise he needs.
