#### Just a few more questions...

#### How long have you had the animals?

1 week or less

# Reason(s) for concern - click all that apply.

• conflict with others

#### Other reason not listed

Took them from an elderly neglected home

#### How we can help you keep your animals?

I am trying to re-home for and older couple but they are a risk because I can not keep them contained. They are very good dogs without a mean bone in their body. They are just very clever at escaping and I am worried about public safety as they ran onto the highway today
