Admin notes

10/12/23 Spoke with the Nephew who stated the owner is going into assisted living and cannot take the cat with him. Thew nephew is going to attempt to find a home for the cat before bringing the cat here and will call back if he can do so. Nephew was made aware of our policies and procedures as well to bring a note from the owner and a photo copy of the id.

1/10/24 called owner to see about scheduling sooner. He stated that he may actually be cancelling the appointment because he has a neighbor that might take the cat. Told him I would leave the appointment where it is and asked him to please call us when he has confirmed that his neighbor is taking the cat so that we can cancel the appointment. CH
