Admin notes

10/12/23 Owner came in with the pet trying to surrender. Spoke with Supervisor Miranda about the situation. We were able to call a boarding facility (bass pet resort) that was willing to hold onto the dog for the owners as the Airbnb owner stated they could have the dog and turned around and stated they could not. Bass pet resort will hold onto the dog for them for a month. If they do not go back within a month, bass pet resort will call us for pick up. C. Wildermuth
