Admin notes

10/13/23 Owner stated she is having a hard time with the male cat spraying in the home. I informed her our app's are pushed out all the way to February of 2024. She did was not happy about that and stated she would try to get him neutered to help calm him down more to see if it would help any. Owner was informed she could try facebook as well other options for rehoming her pet. C. Wildermuth
