Admin notes

10/16/23 Spoke with Sarah. She seemed very confused on what she wanted to do. She had asked for Vet care but said there was nothing wrong with the cat just his behavior. I explained a vet would not be able to help if there was nothing physically wrong with the cat. She said it's her brothers cat and she wasn't sure if he was getting out of jail soon or not and and she was feeling guilty about surrendering the cat. She went ahead and made a later appointment in case he gets out. Chardy.
