Just a few more questions...

How long have you had the animals?

1 - 2 years

Reason(s) for concern - click all that apply.

- allergies
- cost of vet care
- no time for care
- no longer want animal

How we can help you keep your animals?

We have tried taking out carpet in our home to relief the stress of our son having allergies but it is becoming too expensive to continue flipping our house for this new allergy my son has developed. We have tried posting her every single platform that talked about rehoming without any fees and nobody is interested. this was our last resort and we have come to terms with it.
