no

Outcome data

Call outcome

resolved by client

Final call date

11/09/2023

**Admin notes**

owner stated that the cat had gotten loose and came back about two months ago with an injury to its back end. It can't hold its bowels and has to wear a diapers. She refuses to put the cat to sleep and said she was going to wait for her husband before having the cat looked at by a vet. Had an officer sent out to check the well being of the cat.

**Final surrender outcome**

resolved by client

**Close ticket**

yes
